

Baylee Breaking: A Love Story of Second Chances

Will Chase ever find a woman worth loving? After a bitter divorce from his childhood sweetheart, Chase moves halfway across Texas in search of a new start. There he finds Baylee: pretty, fragile, and completely uninterested in Chase - or is she? Chase soon comes to realize that there is more to the haunted-looking brunette than he could have possibly imagined. Baylee actually makes him want to risk a second chance at love. But will she heal his broken heart, or grind the shards into the Texas dust?
