

Gilt By Association (Den of Antiquity)

Petite, indomitable North Carolinian Abigail Timberlake rose gloriously up from the ashes of divorce--parlaying her savvy about exquisite old things into a thriving antiques enterprise: the Den of Antiquity. Now shes a force to be reckoned with in Charlottes close-knit world of mavens, eccentrics and cutthroat dealers. But a superb, gilt-edged 18th-century French armoire she purchased for a song at estate auction has just arrived along with something she didnt pay for: a dead body. Suddenly her shop is a crime scene--and closed to the public during the busiest shopping season of the year--so Abigail is determined to speed the lumbering police investigation along. But amateur sleuthing is leading the feisty antiques expert into a murderous mess of dysfunctional family secrets. And the next cadaver found stuffed into fine old furniture could wind up being Abigails own.
