

Tiny People (Bien ptit gens)

On your lunch break? Sitting bored in a waiting room? Need just one little simple story before you go to sleep? Shortie short stories are satisfying, and can be read quickly in one little spark of time. Download one of Kathryn Magendie's very short stories, between 3,000 and 6,000 words, and gobble them up in one gulpa nice little story-snack. Want something longer? A feast instead of a snack? Look for Magendie's novels-- The Graces Trilogy/The Virginia Kate Sagas: Tender Graces--an Amazon best-seller, Secret Graces, and Family Graces; Sweetie; and her newest novel, The Lightning Charmer. Visit her Amazon author page for details and links. Maelynn hears tiny voices in her attic, threatening her, calling her vile names, erasing the quiet of her sweet Louisiana home. When she tries to be rid of them, they become stronger, more insistent. Maelynn considers her long life, her losses, and the horrid dark secret she keeps hidden--only the tiny people know the truth and they want revenge.
