

To Love and Cherish

Under His Spell Spontaneous Combustion Shelby Kane wasn't about to let her friends bossy brother run off his family's ranch again! And Kingston Brant kept a tight rein on his volcanic desires, but made it abundantly clear that he resented Shelby's sweetly distracting presence -- and the fiery passion she stirred in him. Although the ruggedly handsome, impossibly stubborn cowboy fought their explosive attraction at every turn, somehow his brooding, blustery ways made him even more irresistible to a starry-eyed Shelby. Now the jaded Texas bachelor was about to learn a mighty big lesson in love from the very woman he scorned!
