

The Adventures of Huckleberry Finn Illustrated. English Edition with Chinese Introduction (Chinese Edition)

With a combination of realism and romanticism, this book depicts the thrilling, and bizarre stories of two teenagers who experienced adventures in pursuit of freedom in life. Upon being published, this book quickly became the most popular and the best-selling literary works, and has been translated into dozens of languages around the world so far. It has been adapted into films, drama and theater for dozens of times. Whether as a language learning textbook or as a popular literary reading, this book will have a positive impact on the contemporary Chinese youth. In order for Chinese readers to understand the English story profiles, and thus improve their reading speed and reading level, Chinese introduction has been added in the beginning of each chapter. A large number of illustrations have been added in the book so that the readers can have a better understanding of the story.
