

## A Lovely Affinity

Cody Nielson is a charming young teen that loves adventure. When Cody and his friends trespass on to a crime scene they find themselves at the wrong place at the wrong time and unwillingly become the target of a vicious murderer. As the danger gets closer and closer, Cody is convinced that the killer is hiding a frightening secret; he believes that the killer is not a man but rather a real life monster. Now, Cody must do everything in his power to protect his friends while facing the greatest challenge of his young life; his first love. The dangers that Cody and his friends face will unite them and change their lives forever.
