Saving lives is Jonah Stems job-but he usually does it at the hospital, not at 3 a.m. on the dark streets of Manhattan. When he impulsively intervenes to save a beautiful woman from a man menacing her with a knife, killing the attacker in the process, he is transformed from an overworked medical student to a hero in the media spotlight. The woman, Eve Gones, is profoundly grateful, and wants to show it. Before long, theyre engaged in a wildly passionate love affair. An affair that Eve doesnt want to end. Ever.
