

## Do What The F\*\*k I Say

A poem for every parent pushed to the edge of sanity by their unruly offspring, Sebastian Melmoth II's *Do What The Fuck I Say* provides a uniquely irreverent perspective on the frustrations of parenthood, featuring 48 pages of dynamic colour illustrations. A refreshingly frank and riotously funny depiction of the unspoken parental trials of frazzled fathers and maddened mums alike, Melmoth's poem is a breath of fresh air for any parent who has ever been tempted to tell their little darlings to *Do What The Fuck I Say*.
