

Stoneface (Siren Publishing Menage Amour)

[Menage Amour: Erotic Contemporary Menage a Trois Romance, M/M/F, with M/M] Gwen has a cheating ex, a paranoid best friend, crazy overprotective and ultra-religious parents...and is a successful erotica writer. Forced to overcome her fear of flying to search for her sister in Rapid City, Gwen doesn't expect to run into her internet buddy, Tim. Better yet, Tim's boyfriend, Jack, is a police detective. They welcome Gwen and her older brother, Liam, to stay with them during their search. Jack earned his Stoneface nickname after personal tragedy hardened his heart. He loves Tim, but Gwen stirs up painful memories that make Jack's feelings for her suspect in his own mind. It doesn't help that he falls in love with her. Unfortunately, finding their sister leads to more problems. Shattered trust, broken hearts, and Liam coming out to their parents in a defiant showdown make Gwen question her priorities. Can she risk her heart again trying to break through Jack's Stoneface facade? ** A Siren Erotic Romance
