

Uncle Allen

When twenty-something Rachel visits her Grandma Naomi and Uncle Allen for a week, all shes planning to do is clean out the attic. But between the odd behavior of her senile grandmother and the strange diary page she uncovers in the cluttered attic, Rachel may have uncovered a family secret bigger than she could have possibly imagined. This story was originally featured in the anthology *The Alien Chronicles*. To check on all the other *Chronicles* titles, visit www.futurechronicles.net today!
