

Unemployed, Undead

Everything seems to be going great for twenty-six year old Christine Beatrix. She loves her job and is expecting a promotion. She lives in a cute condo, drives a fabulous car, and has a dorky but handsome boyfriend. But nothing in life is certain. Christine learns this as her urban-chic world is turned upside down. She loses her job and is dumped by her boyfriend on the same day. To top things off, Christine is thrown right into a terrifying recession where hungry zombies eerily stalk the unemployed. How will Christine deal with her new get-a-job-or-perish situation? Will her fickle ex-boyfriend, rotting landlord, or scrutinizing neighbor get the best of her? One thing is certain: Christine will need to bring out her inner heroine to survive. *Unemployed, Undead* is a 12,000+ word short story.
