

## United Kingdumb: Idiots from the British Isles

From absurd 911 calls to presidential philosophizing to his New York Times best-selling *Stupid American History*, Leland Gregory generates the best laughs by exposing the worst of human nature. Now, Gregory--sets his sights across the pond to the United Kingdom to skewer Brits, Scots, Irish, and Welsh alike in *United Kingdumb: Idiots from the British Isles*. In *United Kingdumb: Idiots from the British Isles*, Gregory turns his eye to countryside Britons, London aristocrats, kilted Scotsmen, leprechaun-loving Irish, and the wily Welsh, all of whom are a breed apart in their affinity for the idiotic and inane. Because the stories Leland chronicles are just that unbelievable, each anecdote, quote, or factoid is presented with relevant background information--including its verified news source.
