

Unveiled (Snoqualmie Valley Sasquatch) (Volume 2)

For cousins Jenna and Hannah, life is anything but ordinary. When Jenna loses her parents in a tragic accident, their lives in Washington's Snoqualmie Valley change in unexpected ways. Despite the changes, Jenna still finds love with a mysterious young man she once believed was Hannah's imaginary friend. Tall, dark, and hairy, Adam brings to life rumors of Bigfoot, but can science really explain his appearance? Is he really a supernatural creature, like some people propose, or is he just as human as anyone else? Age-old fears and superstitions revive myths and reveal ancient secrets, but is there any truth to the tales? And what's waiting to be unveiled in the forests of Snoqualmie? Unveiled is the second book in J.M. Northup's young adult suspense series.
