

## Upside Down: The Series - Episode 4 (Upside Down - The Series)

SPECIAL EDITION FOR SUBSCRIBERS

UPSIDE DOWN - THE SERIES Episode 4 Carol Anne Sullivan is a tough New York stock broker. She's suffered enough in order to learn a hard lesson - never let love spoil her relationships. Her boyfriends know that rule from the start. She's domineering and assertive but also faithful and fair while the relationship lasts. Mark Aikens is Carol's boyfriend. He's been in love with her for a while but his submissive side hasn't allowed him to rebel against her golden rule and to tell her how he feels. Fear of losing her forever might spur him into action. Cindy O'Rourke has admired Carol from afar. So, she jumps at the opportunity to work for her idol. Little does she know, things will never be the same for her after that job interview. Carol has been going through a rough patch: world economical crisis, dysfunctional parents, demanding clients, faulty equipment. Without much time for herself, her love life is suffering. So what is the big deal if she fantasizes about a new employee when her boyfriend, Mark, can't give her what she needs? The big deal is the new receptionist, Cindy, is a woman who threatens to turn her world upside down. This is the steamy tale of an unconventional love triangle which should be read with an open mind and an open heart. Sometimes, love comes to our lives in unexpected ways but with such overwhelming power that the best course of action might be to surrender to it. **\*WARNING\*** - This series is intended for adults due to the nature of its scenes and themes. It has been previously published as a novel - Upside Down - by Liz Gavin, which can be found elsewhere in this online store.
