

Nerd Girl

Everyone knows that office romances can be risky, but how much are you willing to sacrifice for love? Julia Hayes is beautiful, successful, sometimes nerdy, and perpetually single. She lives in Seattle and just landed her dream job at one of the most iconic technology companies in the world. When Julia embarks on a new career opportunity, a serendipitous event literally throws her in the path of Ryan McGraw, the hot and charming VP. As the attraction grows between them, its not long before Julia realizes that things are more complicated than they appear. Nerd Girl is a heartwarming love story about a woman at the crossroads between true love and her career. Its about deciding whats most important in life and taking chances to get it. But most of all, its about not letting your mind prevent you from following your heart.
