

Vanished

Homicide detectives Ellie MacIntoch and Jason Santiago are called to the bloody scene of an obvious murder, but have a problem—there's no body, only a missing teenage girl, and no leads as to where she may have been taken. Their joy when the missing girl is found alive quickly turns to something else as her web of lies begins to unravel, and the killer they were hunting might just be the victim. At the Publishers request, this title is being sold without Digital Rights Management Software (DRM) applied.
