

Saints Heaven: An Urban Romance

Heaven is a single mother of two boys with more than her share of baby daddy issues. Her kids father, Flex, loves playing the field and throwing his women in Heavens face while expecting her to remain single. Heaven still carries feelings for Flex, but still wishes to have a man that does not have her looking stupid in the streets. Saint is a reformed street king who is trying to live life on the straight and narrow. He owns a landscaping company in the Dallas area and spends his day breaking his back to provide for his gold digging girlfriend, Lailani. With his relationship crumbling, a chance sighting of Heaven at a restaurant intrigues Saint and he tries to pursue her, but encounters several challenges along the way. Saint and Heaven face many people in their way as they try to be together. They may not be able to withstand the pressure. Will they fall in love against all odds or crumble under outside pressure?
