

Warlock O Glenwarlock: A Homely Romance (Classic Reprint)

Warlock o Glenwarlock. CHAPTER I. CASTLE WARLOCK. A rough, wild glen it was, to which, far back in times unknown to its annals, the family had given its name, taking in return no small portion of its history, and a good deal of the character of its individuals. It lay in the debatable land between highlands and lowlands; most of its inhabitants spoke both Scotch and Gaelic; and there was often to be found in them a notable mingling of the chief characteristics of the widely differing Celt and Teuton. The country produced more barley than wheat, more oats than barley, more heather than oats, more boulders than trees, and more snow than anything. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
