

## The Bookworm

A note found in a copy of *The Hobbit*:  
Dear new owner of this book. What an excellent choice you have made! This is a masterpiece well worth every second that you will spend reading it. I envy you setting out on this journey for the first time! This is a gentle, fanciful tale and you must spend time on it and use your imagination. It starts slowly but builds to a marvelous conclusion that I am sure you will enjoy tremendously. Enjoy the magic that this book holds and savour it too, for you will remember the first time that you read it (and you will read it many, many times - trust me on that) for the rest of your days. Yours, The Bookworm. For the manager of the down on its luck bookshop, Telling Tales the note is a Godsend. It brings customers. Lots of them. Yet the simple question remains - who is the bookworm? *The Bookworm* is but one of several stories from the Scrapbook collection which is available to purchase separately.
