

Westward Weird

When you were a kid, did you long to put on your cowboy boots, belt on your guns, saddle up, and ride off to find adventures? Did you sit glued to the TV watching *The Lone Ranger*, *Maverick*, *Bonanza*, *The Wild Wild West*, *The Adventures of Brisco County Jr.*, and *Firefly*? And were you caught up in movies like *Outlands*, *Time Bandits*, *Serenity*, or *Back to the Future Part III*? If so, *Westward Weird* is the book for you. Thirteen original stories included here ride a very broad range between science fiction, fantasy, and the paranormal and all of them are told from a Wild West perspective. Get ready for some good old-fashioned adventure, as: The Old Gods cross paths in the Old West. Two thieves are given a job they can't refuse, but no one told them there'd be aliens. A mining family never expected their claim to be jumped from parallel universes. A Mars colony may be about to find out exactly how the West was won. Cowboys will be hard-pressed to ride the herd on the living dead. Featuring stories from: Jay Lake Larry D. Sweazy Anton Strout Brenda Cooper Seanan McGuire Christopher McKitterick Steven Saus Dean Wesley Smith Jennifer Brozek Kristine Kathryn Rusch J. Steven York Jeff Mariotte Jody Lynn Nye
