

## Grey: A Tale of Epic Fantasy

A lost little girl named Amanda stumbles into a cave. It's the lair of Grey, an old dragon in failing health. Too young to know she should fear the creature, Amanda is quickly won over by Grey's kindness toward her. Though humans and dragons have been enemies for eons, Amanda and Grey form a fast friendship based on storytelling and sharing warm fires on cold nights. When an army of savages known as The Bane threatens her village, Amanda seeks help from her old friend. But Grey, the last of the dragons hunted to extinction by humans, refuses to help Amanda. Can Grey find it within himself to set aside centuries of hatred for humans to save her?
