

What Da Lick Read? The Triple Cross

The sizzling debut from Sevyn McCray First loves, Backstabbing best friends, and your past coming back to haunt you.. Honesty, Loyalty, Reality and Killian were raised by Khalil, a single father that hustled with a get it by any means necessary attitude over the years to make sure that they had everything that their hearts desired. After sending them to the best colleges, the streets of the Westside of Atlanta called them and they answered. Honesty and Killian have hooked up with a family friend Gorgeous and now they have money coming in hand over fist. Loyalty and Reality are blessed with men that spoil them. But all the money in the world cannot stop the green eye of jealousy that has reared its ugly head or the ghosts from the past that are coming back to haunt their father Khalil. The person least expected is plotting on the family and everyone they are connected to and turning their world upside down. Trained to go and always prepared for the double cross, there was nothing that could ever ready Khalil for the triple cross that was going on right under his nose. With one foot in the streets and one foot out, he finds out What da Lick Reads? as he searches for who is terrorizing everyone around him.
