

The Windswept Village Of Dusk is the story of a school trip made by Willowside School to the mysterious Village of Dusk. After they arrive at the Royal Dusk Hotel they soon come to the conclusion that there's more to the Village of Dusk than meets the eyes with its extreme weather conditions and ghosts from the past haunting the worried looking guests. The terrifying Witch Countess Of Dusk haunts the village before she turns into a thirteen year old girl called Belinda. Belinda begins playing tricks on the students, but her playful exterior hides her hideous true form. Unfortunately for the students from Willowside School it's all too late by then. The Witch Countess of Dusk uses her magic wand to capture both students and teachers from Willowside School in an effort to lead them to their doom, but can anything or anyone stop her from doing this...
