

Without Mercy: Suspense/Thriller

After a violent bank robbery where her boss is gunned down right before her eyes, China Beckett wants nothing more than to rush home to be with her child and put the horrific event behind her. But she soon learns that the nightmare is only beginning.

The same criminals infiltrate her home and take over her life, threatening her young daughter and everyone they love. Each time China makes a mistake, someone dies. As the full scope of the criminals ruthless plan unfolds, China is faced with a shocking truth. Now she has to decide who to trust, and time is running out. She will fight to the last breath to protect her child, but that might not be enough.
