

Who Walks in Flame (Tales of Pawan Kor Book 3)

An air-pistol-wielding priestess battles a sorcerous witch-king and a giant, flaming monster in this sword & sorcery short story of truly epic proportions. Millennia have passed since the witch-king Khuar-na last threatened the world of men. Now returned, he and his fiery behemoth have scorched the fertile fields of the West to desert waste. Only the Kings of the East can stand against him, and only if Bregissa the Skald can successfully lead them with her secret, stolen power.
