

Wreckage of Reason: An Anthology of Contemporary Xxperimental Prose by Women Writers

Innovative writing by 39 women writers, including Lidia Yuknavitch, LilyGrace, Laurie Foos, Kass Fleisher, Barbara Baer, Cynthia Reeves, Lauren Schiffman, Karen Lillis, Megan Milks, Lyn Halper, Fanny Howe, Suki Wessling, Jessica Treat, Shelley Jackson, Laynie Browne, Roni Natov, Cris Mazza, Elizabeth Block, Geri DeLuca, Alicita Rodriguez, Gwen Hart, Masha Tupitsyn, Martha King, Sarah White, Nina Shope, Carmen Firan, Rosebud Ben-Oni, Anna Mockler, Sandra Miller, E.C. Bachner, Tsipi Keller, Summer Brenner, Amina Cain, Karen Brennan, Aimee Parkison, Lily Hoang, Lynda Schor, Danielle Dutton, Danielle Alexander, Debra Di Blasi, and Alexandra Chasin. -- In this diverse and comprehensive volume, the writers have manipulated traditional ways of storytelling, language, and plot, to express new and distinct ways of seeing and experiencing the world. Narrative form is subverted, provocative subject matter explored, and language takes on a scatological form to depict an authentic human experience that makes reading a truly participatory act. At the conclusion of each work, the contributor has composed a few impressions sharing what inspired her to tell that particular story. Were this book published by St. Martin's or Norton, they would have slapped its contents on wider margins and packaged it for the college market at twice the cost. Except Norton or St. Martin's would never publish this book it's too dangerous, wild, and singular. Wreckage of Reason gives us three dozen women authors beyond any easily marketable definition; by any description, it's an anthology worthy of an audience and acclaim.--Ted Pelton --The Brooklyn Rail
