

Neon White E4: Episode Four (A Tooth Claw and Horns Chronicle)

Is the path to vengeance truly worth the secrets it will reveal? Everyone is seeking answers and, more importantly, retribution for those responsible. Ravens life is dangling between fine lines. Being forced to face his own demon, one he never knew existed, is proving more deadly than anyone could have predicted. Jessy works against the clock to keep Ravens condition hidden from the Caption, but when an acquaintance pays the precinct a visit, she finds time has run out. Its a man both she and Landon had hoped never to lay eyes on again. Meanwhile, BlaGar seeks out an old friend in hopes of gaining answers to help Raven, wondering if she might leave a very nasty bite of her own instead. And Niko reflects on his past, that has brought him to the present; one he could never have foreseen. Some truths are better left unsaid; others might be too painful to face.
