

# Yellowstone Treasures: The Travelers Companion to the National Park

The first and oldest national park in the world can be appreciated and enjoyed mile-by-mile in this comprehensive travel guide. Along with fascinating facts and anecdotes, readers will learn of Yellowstones geyser basins, out-of-the-way hikes, flora and fauna, and its mountains, rivers, and lakes. Easy-to-understand scientific explanations and diagrams complement detailed travel tips ranging from escaping and avoiding crowds to picking the right season to go camping. This revised edition includes 270 pages of road logs and enhanced information for senior and disabled visitors and tips for visiting the park with children. With fully revised geological, historical, and practical information, this guide is the perfect companion for anyone planning a visit to Yellowstone National Park.
