

Was Mr. Darcy real? Is time travel really possible? For pragmatic Manhattan artist Eliza Knight the answer to both questions is absolutely, Yes! And Fitzwilliam Darcy of Pemberley Farms, Virginia is the reason why! His tale of love and romance in Regency England leaves Eliza in no doubt that Fitz Darcy is the embodiment of Jane Austens legendary hero. And shes falling in love with him. But can the man who loved the inimitable Jane Austen ever love average, ordinary Eliza Knight? Elizas doubts grow, perhaps out of proportion, when things start to happen in the quiet hamlet of Chawton, England; events that could change everything. Will the beloved author become the wedge that divides Fitz and Eliza or the tie that binds them?
