

Z Walkers: Strangers - Episode 4

Episode 4 of the Z Walkers series! Hank, Collin, and Sara. A janitor, a thief, a personal trainer. Three strangers in an increasingly strange city come together in one last attempt to survive. With the infected crawling out of every crevice, they need to get to safety--now. Each wants a different direction: Hank still waits for his lady love to arrive so that they can head north, while Sara wants to get on a boat and get out onto the open waters. Collin...well, Collin just wants to be the aloof dangerous guy in a zombie apocalypse. Little do they know, that each of their best-laid plans is going to hit a rocky detour, and there's no telling just who will get out of everything alive. Will any of them? NOTE: This is the fourth episode of Z Walkers, a serial novel. There will be cliffhangers, and Zombies, from one installment to the next. Read at your own risk...or delight.
