

Zero Day (John Puller, Book 1) (John Puller Series)

From David Baldacci--the modern master of the thriller and #1 worldwide bestselling novelist--comes a new hero: a lone Army Special Agent taking on the toughest crimes facing the nation. And Zero Day is where it all begins....John Puller is a combat veteran and the best military investigator in the U.S. Armys Criminal Investigation Division. His father was an Army fighting legend, and his brother is serving a life sentence for treason in a federal military prison. Puller has an indomitable spirit and an unstoppable drive to find the truth. Now, Puller is called out on a case in a remote, rural area in West Virginia coal country far from any military outpost. Someone has stumbled onto a brutal crime scene, a family slaughtered. The local homicide detective, a headstrong woman with personal demons of her own, joins forces with Puller in the investigation. As Puller digs through deception after deception, he realizes that absolutely nothing hes seen in this small town, and no one in it, are what they seem. Facing a potential conspiracy that reaches far beyond the hills of West Virginia, he is one man on the hunt for justice against an overwhelming force. David Baldacci is one of the worlds favorite storytellers. His books are published in over 45 languages and in more than 80 countries, with over 110 million copies in print.
