

Zuni Stew

Jack DAMICO, a newly minted physician is catapulted to a military posting on the Zuni reservation in New Mexico. Sadly, his family is murdered. And hes next on the list, but why? Both a contract killer and the FBI are after him. In gratitude for saving his son, a Zuni medicine man, a shiwani, spirits Jack into hiding. Speed and greed drive the chase while the energy of the four winds and those of the worlds above and below direct Jack to safety. Trying to stay alive, Jack has to ask himself what is real, what the shiwani sees or what the killers see? Or, what Jack thinks he is seeing? Strap yourself in and go for the ride of your life.
